SUPERVISOR COMMENTS

The shift was not very busy throughout the day. During this shift officers generated a total of 4 reports. They handled 2 collisions, both of which did not include a driver that was impaired. The most convoluted call of the day was a "Civil" call. Apparently, someone privately financed a vehicle and then fell behind by one payment. The owner decided to reposes the vehicle, with the buyer's personal property inside of it. The officers found that

the property was left at a local fire station. The buyer was able to recover their property and advised to seek compensation through the civil court.

Sgt. Fortado

NUMBER OF REPORTS: 2

CATEGORIES

1 Driving While Intoxicated

1 Aggravated Assault

SUPERVISOR COMMENTS

Tonight shift was a little slower with calls for service then it was the previous night. Officers used some of that time to get caught up on reports and be proactive. An Officer observed a red-light violation and conducted a traffic stop. The driver of the vehicle was under the influence of alcohol and was placed under arrest. Officers responded to an assault where a male was chasing another male through a parking lot. Officers arrived on scene and located the responsible male. The suspect ran from Officers and was caught and placed under arrest. The suspect was identified and booked into jail for multiple charges.
