SUPERVISOR COMMENTS

Very busy day from the get go. Two female teenage runaways called TPD early this morning to tell us they were done running away and ready to go back to their group home in Stockton. After two hours with no luck getting CPS or their social workers to respond, an officer transported them back to their group home in Stockton. Two officers had court this morning so they were out of the city for a period of time this morning. Officers responded to a report of an adult female who pulled down her pants and defecated on the side of the road at a busy intersection. She was located, arrested and booked. This afternoon, we responded to a weapon offense where a male brandished a gun at another male while the victim was seated in his car. This was near an elementary school and right before school got out. The school was briefly locked down until we determined the suspect had left the area. Officers stood by in the area of the school while students were released to ensure their safety. Officers also handled several traffic collisions, a couple juvenile abuse cases, mental health cases, and other calls. They went call to call from start to finish.

SUPERVISOR COMMENTS

An officer observed a truck traveling at a high rate of speed and failing to stop at a red light. When the officer attempted to catch up to the vehicle to initiate a traffic stop, the driver fled, and a pursuit was initiated. The suspect vehicle fled south of town and attempted to evade officers by driving into an orchard. Officers quickly established a perimeter, and with the assistance of air support, the suspect was located and taken into custody. He was booked into jail without incident.
